St. John Paul the Great  
**ACADEMY**

St. John Paul the Great Academy is Litchfield County's only parochial elementary school and one of only three STREAM academies of the Archdiocese of Hartford.

We are a dynamic multi-age STREAM school rooted in faith, service and academic excellence where Pre-K to Middle School students are challenged and inspired to become collaborators, critical thinkers, future leaders and global citizens.

Our enrollment has grown 45% since last year and our students continue to amaze us with their creativity, intelligence, kindness and commitment to learning.

Events such as these help to support our Academy and provide the tools necessary to offer an excellent educational experience. We are proud to be a part of the Northwest Connecticut community and thank you for joining us at Christmas is A-Glow.

We invite you to contact us to learn more about the educational opportunities that are available to the children in your life.
